REASONS FOR ALLOWANCE

1. Claims 1-4, 6, 9, 12-14, 16, 21-22 and 32-33 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-4, 6, 9, 12-14, 16, 21-22 and 32-33 are allowable because none of the prior art discloses a contaminant detecting system or method for determining the presence of a contaminant in a fluid used in a microbial decontamination process, comprising: a control means, wherein the control means determines the presence of a miscible contaminant in the fluid if a measured value deviates a predetermined amount from a threshold value, and determines the presence of an immiscible contaminant in the fluid if the measured value spikes from a base value during a predetermined time period, and in the combination as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
